

FRIGG CHAIR

The Frigg collection by Dencon offers a versatile family of chairs designed to meet various seating needs, including a dining chair, a lounge chair, and a bar chair. Each variant of the Frigg chair is crafted to provide comfort, style, and functionality, making it a perfect addition to any setting.

Dining and barchair options:

- **Basic version:** The chair is available in a durable plastic shell, perfect for easy maintenance and a modern look. You can choose from four different plastic colors to match your decor.
- **Semi-upholstered version:** For added comfort and elegance, the dining chair can be opted with semi-upholstery. This version allows for a personalized touch with a choice of over 80 colors from the Lido range by Nevotex.

Lounge chair:

- The lounge chair maintain the high-quality design and comfort standards of the Frigg collection, which makes it ideal for relaxation or social settings.

Additional features:

- **Stackable design:** The Frigg dining chairs can be conveniently stacked up to 6 pieces high, making storage and space management effortless.
- **Optional felt gliders:** Enhance the stability and longevity of your chairs with the option to purchase additional felt gliders.
